

ground truth: no waste

user

Is there any waste, garbage, debris, or dumped material visible in this image? Answer Yes or No.

model

No.

[margin -5.87 vs threshold -3.50]

user

This is an aerial drone photograph of an outdoor area (rural land, roadside, construction site, etc.). Describe in 2-3 sentences what you observe: focus on visible materials, objects, piles, or accumulations. Include colors, textures, and any signs of discarded or dumped materials.

model

The image from GoogleEarth shows a rural landscape with greenery and buildings. There are no visible signs of construction or discarded materials in the scene.
